Messaging Footnotes

[1] Separately purchased carrier service required. Connection requires wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products or in all countries.

[2] Requires Windows 10 Pro. See product QuickSpecs for notebook compatibility.

[3] GPS access requires unobstructed path to multiple satellites. Performance may be affected inside buildings, bridges or heavily-congested metro areas. Requires separately-purchased GPS navigation software available from multiple GPS applications.
